## Physical Education

Mrs. Beavers has been a teacher at NLE for the past three years. She is also a former student at North LaFayette. She is a graduate of LaFayette High School and loves living in the LaFayette community (Go RAMBLERS!). She graduated from Kennesaw State University with her BS and Masters' in Early Childhood Education. She loves spending time with her family and friends. She is VERY excited to be the new PE teacher and can't wait to work with your children this year!

We will be working on a variety of things in PE this year. We will develop locomotor skills, such as throwing and catching. We will learn about team games this year as well as the important aspects of being a team player. We will also be getting ready for upcoming events this year such as the Hoop Shoot, Jump Rope for Heart, and the Fitness Gram. If you have any questions or concerns, please email me at [brandybeavers@walkerschools.org](mailto:brandybeavers@walkerschools.org).
